

Microsoft Cloud Agreement Attestation - Ireland

11/10/2018
v.1.0

Important - Microsoft Cloud Agreement Attestation

To be able to provide Microsoft Cloud Agreement acceptance information to Microsoft you will need access to the new Vuzion Partner Portal. To gain access you need to ensure that you are correctly enrolled with Microsoft and the partnership between your business and Vuzion is recognised by Microsoft.

- 1. Make sure your company is enrolled as a CSP reseller with Microsoft. You may be reselling Microsoft products with Vuzion without having completed this.**

To enrol you will need the following

Global administrator credentials for your work account

You'll need to provide the user name and password you use to sign into Office 365, Microsoft Azure, or Microsoft Dynamics CRM. If you don't have a work account, you can create one during the enrolment process.

The user name and password you use to sign in to the Partner Membership Center site

We use this information to link your organization's Microsoft Partner Network ID (MPN ID) with your new Partner Center account so that you can manage your membership benefits and data in Partner Center.

Your organization's legal business name, address, primary contact, and support details

We need this information to confirm that your organization has an established profile with Microsoft and that you are authorized to act on its behalf.

Finally, select partner profile

You should now see a screen like this

If enrolment is complete the 'Indirect Reseller Status' will display 'Active' and the 'Verification Status' will display 'Authorized'.

Enrolment can take a couple of days so please check back to see if your status has updated. If after five days this has not updated, or you believe there is a problem please contact the Vuzion Partner Team.

Once the status of your enrolment is confirmed please then follow the instructions and click the link below and accept our partnership invitation.

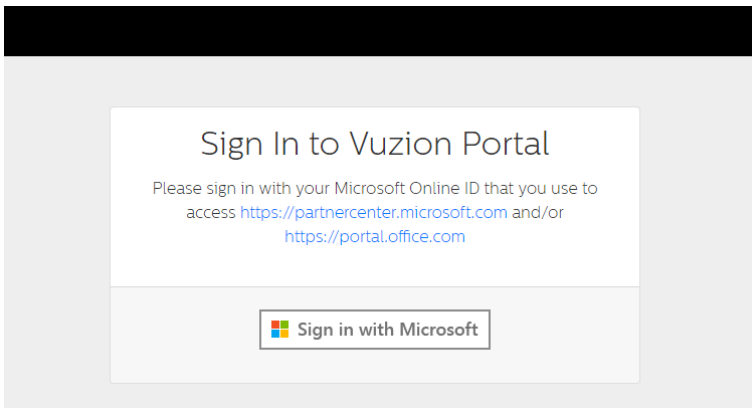

To make sure you have accepted the partnership link, click the invitation link below. Please note you must be a **Global Admin** for your company to be able to accept the partnership.

You may have already accepted this agreement, in which case the link will inform you that no further action is required.

3. Access the Vuzion Portal

Go to <https://portal.vuzion.cloud>, and click the “Sign in with Microsoft” button

You will be presented with the Microsoft Login screen as seen below. Next log in with your Microsoft Work account that you use to access Partner Center or the 365 portal.

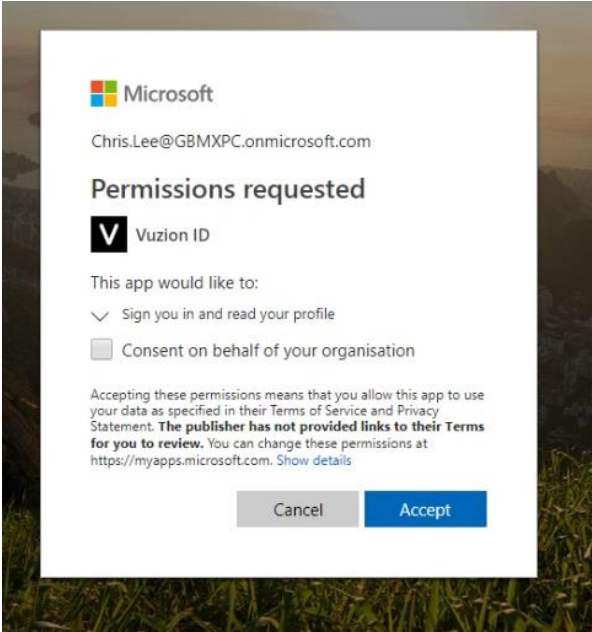

If this is the first time you have accessed the Vuzion Partner Portal, you will be required to give consent for our Identity application to sign you in and read your Azure AD profile – this lets us link your Azure AD profile to our record of your company.

4. Registering customer attestation to the Microsoft Cloud Agreement

To begin attesting, select the MS Cloud Agreement option from the side navigation.

You should see a page that lists your Partner Center customers. The Portal will check whether each customer has attested or not and display accordingly – this may take a second or two if you have a lot of customers.

If you have a lot of customers, you can use the search at the top to filter down.

The screenshot shows the 'MS Cloud Agreement Status' page in the Partner Portal. The page has a search bar at the top with the text 'Search...' and a 'Search Customers' button. Below the search bar, there is a table with columns for 'Customer', 'Domain', and 'Status'. The table contains three entries:

Customer	Domain	Status
Christopher Lee	christopherlee.onmicrosoft.com	Not Confirmed
GBMXCustomerTest	GBMXCustomerTest.onmicrosoft.com	Confirmed
WM Development	wmorris.onmicrosoft.com	Confirmed

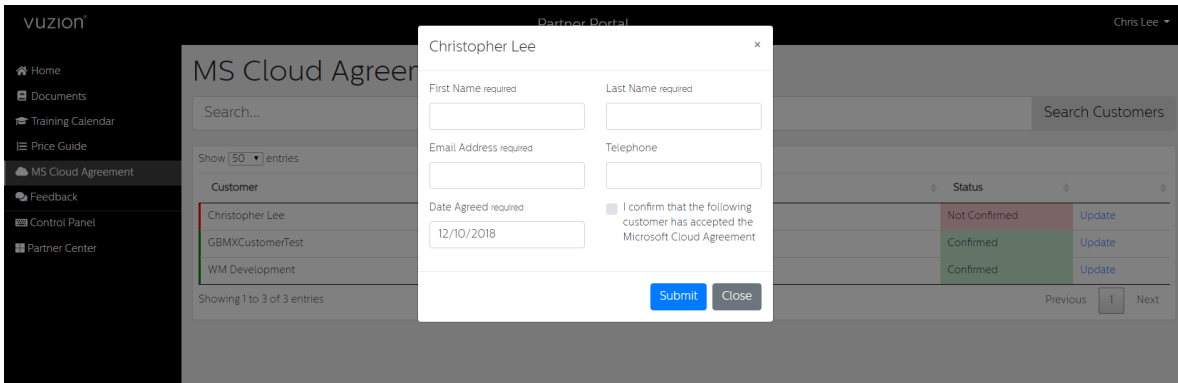

At the bottom of the table, it says 'Showing 1 to 3 of 3 entries' and 'Previous 1 Next'.

Pick the customer you want to attest for, and you will be presented with a pop up to enter the attestation details.

Enter the required fields – first name, last name, email address and date agreed of the person who has seen and agreed to the MS Cloud Agreement (telephone is not mandatory) and check the box to confirm. Click the submit button to attest for the customer and you will receive a notification confirming the new data has been submitted.

The customer in the table will be updated to reflect their agreed status.
